

### **Background**

The short descriptions of the individual companies are meant to present the participating companies to a wider audience.

### **Structure**

The company descriptions will be presented on a page below the general information of the individual working group that explains the focus and aims of the respective group. The descriptions will be linked with the company logos on the first page. The company's website can be accessed through a link in the banner which is included in the description.

### **Necessary data**

- Short company description of max. 300 characters incl. spaces
- Preferably a short list of activities
- Company logo for the main page of the working group
- Banner (800px wide x 200px high)

### **Example**

AS+P

The diversity and breadth of our fields of activity, networked thinking and all the experience we have gained from over 50 years of architecture and planning practice are reflected in each of our projects.

To us, „think ahead.“ means developing and realizing visions and plans.
