TARGET

Hi
lights

In The Presence Of
His Excellency Lieutenant General Doctor Sheikh
Mohammed Bin Abdullah Al-Khalifa
Chairman of the Supreme Council of Health

His Excellency Lieutenant General Doctor Sheikh
Mohammed Bin Abdullah Al-Khalifa
Chairman of the Supreme Council of Health

Welcome to the 2nd Manama Health Congress and Expo, this event is an opportunity to exchange expertise and successful experiences and to review the latest developments in healthcare and learn from each other's experiences.

We will be hearing from some of the top professionals in the industry.

They will be sharing their insights and expertise on a wide range of topics, including artificial intelligence, cardiology updates, cosmetics, and genetics. I wish you successful and fruitful meeting

Her Excellency
Dr. Jalila Bint Alsayed Jawad Hassan

We are honored this year to host the 15th Arab - German Health Forum which aims to address topics for dialog between Arab and German decision makers in the health industry providing an opportunity to network, learn from industry and leaders, and gain valuable insights into the latest trends and developments in the healthcare field.

The Forum will shed light on the latest developments in health insurance, pharmaceutical industry corporation and healthcare financing.

We welcome you and wish you a successful and beneficial event.

Welcome Note from the Congress President

Dr. Maryam Al-Jalahma
CEO of Government Hospitals

Dr. Mariam Aljalahma

It is with great pleasure that we welcome you to the Second Manama Health Congress & Expo, where we bring together experts and professionals from the healthcare industry to share knowledge and experiences.

We are honored this year to host the 15th Arab- German Forum which aims to address topics for dialog between Arab and German decision makers in the health industry providing an opportunity to network, learn from industry leaders, and gain valuable insights into the latest trends and developments in the healthcare field.

This Congress & Expo provides us with a platform to discuss the latest developments in healthcare and learn from each other's experiences. We will be hearing from some of the top professionals in the industry. They will be sharing their insights and expertise on a wide range of topics, including the latest Artificial Intelligence, Gene therapies, cardiology, and Cosmetics.

We hope that you find the conference and exhibition enlightening and enjoyable, and we look forward to seeing you soon there

Best regards...
