Hotel De Rome is one of Berlin's most intriguing buildings. Once the headquarters of the Dresdner bank, there's a fascinating history to discover within its walls. A swimming pool in the former jewel vault. A grand ballroom is the old cashier's hall. Oak-panelled suites in the old bank director offices. Now a five-star hotel, it offers exceptional hospitality, flavoursome cuisine and first-rate facilities. Located on Bebelplatz in the heart of the city, Hotel de Rome is also within easy reach of Berlin's key attractions.
