"It is time to come together, to launch new initiatives and seize this moment to drive the Arab-German business relationship forward."

Program: 26th Arab-German Business Forum

As the world economy emerges from the challenges of the global pandemic and the restrictions it imposed on travel, we stand at a turning point in the Arab – German Business relationship. With remarkable recoveries seen in both regions' economies, the stage is set for even greater success, especially with a 23,3% increase of Arab – German Trade volume in 2022.

The Arab-German Business Forum proceeds in 2023 as the premier gathering platform for business leaders, experts, and decision-makers to gather and discuss the challenges and opportunities that lie ahead. Through engaging panel discussions, ambassador roundtables, and country workshops, attendees will explore the boundless potential of the Arab – German Business relations and learn from some of the most influential voices.

This year's forum will focus on key sectors with potential for driving growth and creating new opportunities. Whether you're looking to expand your business into new markets, learn about the latest trends and technologies, or simply make new high-end connections, the 26th Arab-German Business Forum is the place to be.
